Ask Me To PROVE IT!

Our Search Engine Optimized blogs have proven to be able to dominate two of the toughest markets in the country: Los Angeles, CA and Orange County, CA. Our proven results demonstrate our skills to create custom content that search engines can't resist. The following test cases have been provided for you to evaluate so that you can **make a wise decision**.

### CERRITOS NISSAN BLOG

This blog is basically brand new and already is outranking most dealer websites for major keywords. Contact us to see their ranking report.

Visit this blog yourself at [losangeles.cerritosnissan.com](http://losangeles.cerritosnissan.com) and see for yourself why you cannot afford to lose out if your competitor decides before you do. We can only do one nameplate per area to prevent unfair market saturation, so call and reserve yours today.

### ELMORE TOYOTA BLOG

This blog ranks for over 150 keywords and totally dominates the HUGE Orange County market. Contact us to see their most recent ranking report.

Visit this blog at [orangecounty.elmoretoyota.com](http://orangecounty.elmoretoyota.com) and see what we can do for you. We're only accepting one nameplate per market, so hurry and decide before your competitor does. We will reject taken markets. Clients are received on a first come/first served basis.
